Students must register for two sequential classes.</u></b></p>

**Students are to register for EIGHT primary courses: core courses and electives. 8<sup>th</sup> grade final grade guidelines are given for all core courses. Electives should be selected based on interest in the course. Core courses and electives should total 8 courses. (Please note that yearlong courses count as two courses.)**

**Students should also select THREE alternate courses. These 3 should be different from your primary selections. Please give alternate courses the same consideration as primary courses. If you receive one of your Alternate Selections, you will have to keep the course.**

**Alternate Course Selections (3 electives)**

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

There will be **NO** schedule changes for electives. Schedule corrections will be made for incomplete schedules, incorrect sequencing, or placement in a course not chosen during registration.
